is the heart of the
UK business strategy**

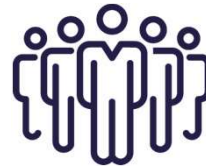

Cintra Payroll & HR software

Our focus: Payroll

3.5million

Investment in our software

1180

Clients across the
group

75

Employees in our
Outsourced Services team

Our values remain the same...

Trusted

Our customers trust us to be open, honest and transparent. We nurture relationships based on trust and mutual respect.

Customer focused

We take pride in contributing to our customers' success – their needs are at our core and drive everything we do.

Innovative

Continuous investment in our products allows us to stay one step ahead of the curve for our customers.

Transparent

We're supportive and always positive - our aim is to make complex simple and remove any confusion along the way.

cintra™

Cintra has a fresh, new look...
